

## Work-in-Progress Conference & Seminar Series

### "The immune response to breast cancer"

**George Plitas, MD**

Assistant Attending, Breast Service, Department of Surgery; Jeanne A. Petrek Junior Faculty Chair; Assistant Professor, Weill Cornell Medical College

**Objective:** Our lab has worked on characterizing the immune infiltrates of human breast cancers. The objective of the presentation is to highlight some of the unique features of immune responses in cancer and their therapeutic implications.

**Date: Tuesday, February 5, 2019**

**Time: 12:00 to 1:00 PM**

**Location: Magee-Womens Research Institute, Conference Center, 1<sup>st</sup> Floor**

For program questions, please contact Dr. Mellissa Mann @ 412-641-7950. A light lunch will be provided.

CME and CEU credits can be earned by attending WIP and providing required information.

Much appreciated,  
Kelli
