

University of Pittsburgh Medical Center Hillman Cancer Center Viral Oncology Symposium

*Celebrating the 25-year anniversary of the discovery of
Kaposi's sarcoma-associated herpesvirus*

CANCER VIROLOGY PROGRAM (CVP) SYMPOSIUM

Monday, April 15, 2019

Herberman Conference Center, UPMC Shadyside, Pittsburgh PA

8:00 am – 5:00 pm

Presented by UPMC Hillman Cancer Center and the University of Pittsburgh Medical Center

Program Goal:

This Symposium is designed to provide state-of-the-art information on the etiologies, mechanisms of oncogenesis, and molecular biology of cancer viruses, as well as clinical associated viral cancers, and current detection and treatments including immunotherapy and virus-mediated oncolytic therapy to audience of academic and private physicians and basic scientists.

Target Audience:

Local, national and international academic and private physicians and basic scientists as well as other appropriate health care professionals. Participants can earn Continuing Medical Education (CME) Credit.

Fee and Registration:

Registration is free but is required for attending the symposium. Breakfast, lunch and coffee will be provided. Maximum participants are 200 and will be determined at a first come first serve basis. Deadline for registration is April 1st, 2019. Please register at: <https://ccehs.upmc.com/liveFormalCourses.jsf>

Course Director:

Shou-Jiang (SJ) Gao, PhD
Director, Cancer Virology Program
University of Pittsburgh Medical Center
UPMC Hillman Cancer Center

Contact Information:

Dr. Shou-Jiang (SJ) Gao at: gaos8@upmc.edu
Olivia Bennett at bennetto@upmc.edu

External Speakers:

Richard F. Ambinder, MD
James B. Murphy Professor, and Director, Division of Hematologic Malignancies, Johns Hopkins Sidney Kimmel Comprehensive Cancer Center

Bryan R. Cullen, PhD, DSc
James B. Duke Professor, and Director, Center for Virology, Duke University School of Medicine

Pinghui Feng, PhD
Professor of Microbiology and Immunology, and Chair of the Section of Infection and Immunity, Herman Ostrow School of Dentistry of University of Southern California

Erik K. Flemington, PhD
Zimmerman Professor of Cancer Research, Program Leader of the Cancer Genetics Program, and Director of Cancer Crusaders Next Generation Sequence Analysis Core, Tulane Cancer Center

Anna R. Giuliano, Ph.D.
Senior Member, and Founding Director, Center for Infection Research in Cancer (CIRC), Moffitt Cancer Center

Jae U Jung, PhD

Fletcher Jones Foundation Professor, Hastings Foundation Professor, Chair of Department of Molecular Microbiology and Immunology, and Director of USC Institute of Emerging Pathogens, University of Southern California

Paul F. Lambert, PhD

Howard M. Temin Professor, and Chair of Oncology, Director-McArdle Laboratory for Cancer Research, Virology Program Leader-University of Wisconsin Carbone Cancer Center

Internal speakers:

Robert Ferris, MD, PhD

Director, Hillman Cancer Center, Associate Vice Chancellor for Cancer Research, University of Pittsburgh

Joseph C. Glorioso III, PhD

Professor, Department of Microbiology and Molecular Genetics, University of Pittsburgh School of Medicine

Nara Lee, PhD

Assistant Professor, Department of Microbiology and Molecular Genetics, University of Pittsburgh School of Medicine

Patrick S. Moore, MD, MPH

American Cancer Society Professor, UPMC Hillman Cancer Center

Zhaoxia Qu, PhD

Assistant Professor, UPMC Hillman Cancer Center

Saumendra Sarkar, PhD

Associate Professor, UPMC Hillman Cancer Center

Kathy Shair, PhD, Assistant Professor

UPMC Hillman Cancer Center

Masashiro Shuda, PhD

Assistant Professor, UPMC Hillman Cancer Center

Planning Committee:

Yuan Chang

Robert Ferris

Shou-Jiang Gao

Nara Lee

Patrick Moore

Zhaoxia Qu

Saumendra Sarkar

Kathy Shair
