Meeting ID: 91983983912

Abstract: The Population Survey Facility (PSF) is a newly supported Hillman Cancer Center Shared Resource with an aim of supporting HCC members in all aspects of population and community-based research and practice. Dr. Bear will highlight the services the PSF can offer HCC members and illustrate how those services have been utilized in cancer research and population health activities.

CME Faculty Disclosure

In accordance with Accreditation Council for Continuing Medical Education requirements on disclosure, information about relationships of presenters with commercial interests (if any) will be included in materials distributed at the time of the conference.

Continuing Medical Education Credit

The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded .10 continuing education units (CEUs) which are equal to 1.0 contact hours.
