

Rural and Urban differences in Cancer Attitudes and Screening Behaviors in Western Pennsylvania

Linda B. Robertson, DPH, MSN, BSN
Department of Medicine
University of Pittsburgh
&

Todd M. Bear, PhD, MPH
Behavioral and Community Health Sciences
University of Pittsburgh

Thursday, November 21st, 2019
12:00PM to 1:00PM

UPMC Shadyside, Hillman Cancer Center,
Cooper Conference Center Room C

Light lunch provided. In order to ensure enough food is available, please RSVP to Darren Gilmartin (gilmartind@upmc.edu) or contact him if you need directions or additional information.

The Cooper Conference Center is located on the ground floor of the Hillman Cancer Center, 5117 Centre Avenue, in Shadyside. After entering the building, walk to the left and take a right at the gift shop. The Conference Center is the next entrance on the left.

BRAIN, BEHAVIOR, AND CANCER

Sponsored by

The Biobehavioral Cancer Control Program
UPMC Hillman Cancer Center

1. Do cancer related attitudes and beliefs impact an individual's cancer screening practices?
2. Does urban vs rural locality impact cancer related attitudes and beliefs and an individual's cancer?
