Meeting ID: 395 717 889

Dr. Sidani is an Assistant Professor of Medicine and the Assistant Director of the Center for Research on Media, Technology, and Health in the University of Pittsburgh School of Medicine. Dr. Sidani will be highlighting her research focused on emerging tobacco products that are popular with youth, examination of these products on social media, and use of media literacy to prevent initiation of these products to reduce cancer risk among youth.

CME Faculty Disclosure

In accordance with Accreditation Council for Continuing Medical Education requirements on disclosure, information about relationships of presenters with commercial interests (if any) will be included in materials distributed at the time of the conference.

Continuing Medical Education Credit

The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded .10 continuing education units (CEUs) which are equal to 1.0 contact hours.
