

**It's here! The DNA Repair
Journal Club for the fall semester is here!**

DNA Repair Journal Club

Joel Rosenbaum, PhD

Department of Biological Sciences

Reviewing the article:

***“Effective mismatch repair depends
on timely control of PCNA retention
on DNA by the Elg1 complex”***

Tuesday, December 17, 2019

10:30-11:30 AM

Hillman Cancer Center

2nd floor conference room
